

December 2025

Vita Education Services *Bringing Learning to Life for Over 50 Years*

Wishing all of you a
Fantastic Holiday
Season
filled with joy and a
Happy New Year!

Thanks for Visiting Our New Location!

Thank you to all who have visited our new historic, riverfront Bristol location. Your encouragement and enthusiasm have truly energized this exciting new chapter for Vita and for the adult learners who will benefit from the expanded space.

Our new home features bright, student-centered classrooms, a computer lab for classes and independent study, and dedicated offices for our staff. Housed in the former Bristol Manufacturing Company building on 1414 Radcliffe Street, the space offers easy access to public transportation along with plenty of free parking.

Within our new walls, our mission remains the same. With your support and this inspiring new home, Vita is continuing to empower adult

learners to achieve their goals.

C&N Bank Powers Possibility at Vita

Vita is grateful to **C&N Bank** for its continued commitment to our mission. C&N Bank's support provides stable, flexible funding that keeps Vita's core services strong for adult learners across our community.

We were pleased to celebrate this partnership with Blair T. Rush, C&N Executive Vice President and Region President, and Will Kadri, C&N V.P. & Small Business Banking Manager and Vita Board member, alongside Vita's Executive Director Heather Giampapa and Fundraising Manager Eileen Shapiro. Support from partners like C&N Bank help ensure every adult has the opportunity to learn, grow, and thrive.

Help Transform Lives Before the Year Ends

Every day, Vita Education Services works with students who are moving forward with courage and hope:

- Some are learning English to communicate with their children's teachers and participate more fully in their education.
- Others are preparing for their high school equivalency exams to access better job opportunities.
- Those in our corrections-based programs are building skills to break the cycle of incarceration and thrive after release.

At Vita, we believe education is a human right and a powerful tool for transformation. Thank you for helping adult learners unlock their potential and take steps toward a brighter future. Your support makes so much possible. Because when one person learns, an entire community grows.
